

19th Smögen Summer Symposium on Virology

August 25-27, 2022

Venue: Smögens Hafvsbad

Arranged by Virus- och pandemifonden –

Swedish Society for Virology

<http://www.swedishvirology.se>

Welcome to the 19th Smögen Symposium on Virology!

It is a pleasure for the Organizing Committee to announce that the 19th symposium will be held at Smögens Hafvsbad, Smögen, Thursday August 25 to Saturday August 27, 2022 with the possibility to participate online as well.

The scientific as well as the social agenda will be very much like previous Smögen meetings. This year we will have the pleasure to listen to, and discuss with Dr Michael Worobey, Dr Timo Vesikari, and Dr. Karen Mossman on the subjects of virus origins, vaccines, and viruses evading the immune defence.

Smögens Hafvsbad or “Hafvsbadet” is a famous spa establishment with traditions from 1903, and with a splendid view of the beautiful archipelago north-west of Smögen. Hafvsbadet is a fully modern hotel with high-class cuisine, and an excellent conference facility, including an indoor swimming pool. As the number of expected delegates exceeds the number of beds at Hafvsbadet we have reserved excellent alternatives: Wallentinska Huset and Pensionat Bryggan, bed and breakfasts at the Smögen Harbour. We wish you all very welcome in Smögen!

Kristina Nyström, Niklas Arnberg och Johan Nordgren

Tentative program

Thursday, August 25

All events at Smögens Hafvsbad unless otherwise stated.

Please note that all information provided during the sessions is considered as privileged. You are therefore not allowed to take any photographs of the slides.

12.00	Registration + Lunch
13.30	Introduction
13.45	Keynote 1: Dr. Michael Worobey: Virus Evolution
14.30	Session 1: <i>Epidemiology</i>
15.00	Coffee Break
15.30	Session 2: <i>SARS coronavirus-2</i>
16.30	Session 3: <i>Emerging viruses</i>
17.00- 17.20	Technical News Flash
18.30	Welcome Reception, <i>Smögen Fishing Harbour</i>
20.00	Dinner

Friday, August 26

07.30	Breakfast
09.00	Keynote 2: Dr. Timo Vesikari: Viral Vaccines
09.45	Session 4: <i>Immunology and Vaccines</i>
10.30	Coffee Break

11.00-11.45	Session 4: <i>Antivirals and Chemotherapy</i>
11.45-12.05	Session 5: <i>Clinical Virology and Diagnostics</i>
12.05-12.25	Session 6: <i>Tumor Virology</i>
12.25-13.00	Session 7: <i>Molecular and Structural virology</i>
13.00	Lunch & Free Activities
15.00-16.00	Session 8: Pathogenesis
16.00	Poster Session , including beverage
18.30	Archipelago Cruise & Seafood buffet (See p. 7)

Saturday, August 27

07.30	Breakfast
09.00	Keynote 3: Dr. Karen Mossman: Viruses and immune evasion
09.45	Session 9: <i>Virus-cell Interactions</i>
10.30	Coffee Break
11.00	Session 9: <i>Virus-cell Interactions</i>
11.30	Annual Meeting Swedish Society for Virology
12.15	Lunch
13.00	First bus departure for Göteborg

The Venue: Smögens Hafvsbad

A fully modern hotel with a capacity of more than 100 guests in comfortable single and double rooms. Indoor swimming-pool and exclusive spa services available. The conference facilities include a fully equipped lecture hall taking 100-200 people, and a lot of smaller meeting rooms. The cuisine is excellent, the same overwhelming view of the Skagerrak archipelago as

Foto: SVEN LINDWALL

experienced by the first summer guests of Smögens Hafvsbad in 1903 is still available from the dining room and the western terrace. The hotel is situated close to the heart of Smögen offering excellent sea baths and easy access to the classical wooden quay of the Smögen Sailing Harbour.

Additional lodgings: Wallentinska Huset & Pensionat Bryggan:

Ideal accommodation for the young virologists accepting shared rooms. Full board, incl. bed clothes and bathroom towels also for the delegates staying Wallentinska Huset and Bryggan. All meals and service at Havsbadet. Delegates registering for “Bed in shared room” will primarily be checked in at these facilities.

Useful information:

Accommodation

Registration includes Full Board and all conference activities listed in the program. You **do not** need to bring any bedclothes etc, but please bring your own towel for outdoor swimming activities. The number of single rooms is restricted and they are distributed on a “first come, first served” basis. It is therefore recommended to suggest a suitable room-mate even if the first choice is a Single Room.

Bus Transfer Göteborg-Smögen

Buses will leave from Downtown Göteborg (Nils Ericson-platsen) at about 10.20 on August 25 and from Smögen after lunch on August 27. All transfer is complimentary. The bus ride takes 1 hour 50 minutes. We will schedule the bus to wait for trains from Stockholm and Malmö arriving between 10-10.40. However, should extreme train delays occur, the delegates concerned will be instructed by mobile telephone how to act. To sign up for bus transport please email your (a) e-mail address and (b) mobile phone number to Bus Captain Maria Johansson (maria.johansson@microbio.gu.se).

Usually the Swedish West Coast climate is dry and sunny in late August (19-22°C daytime and the sea temperature about 20°C) but the temperate climate zone means a slight but definite risk for occasional low pressure weather with wind and showers. Please bring a sweater, rain jacket, and an umbrella just to be sure. The sea is excellent for swimming and diving, flippers and snorkel recommended.

Scientific presentations

There will be a number of sessions, each addressing a specific topic. Participants are offered to submit an oral presentation (no longer than 7 minutes + time for a few questions) that will be scheduled to appear in a suitable session. There will be a maximal number (7) of slides. The URL to the form for electronic registration is http://www.swedishvirology.se/smogen_meeting_registration.html and contains a field for Presentation Title. Instructions for abstract preparation will be sent to the presenters in late June. **Please do not forget** to mark the box “I am not a spam robot” of the electronic form. This is a protection measure against spam attacks interfering with the electronic registration procedure.

Registration information

Symposium information will be continuously updated at the official homepage of the Swedish Society for Virology: <http://www.swedishvirology.se> where you also will find an electronic form for convenient on-line registration. Those who are not on the mailing list, please notify kristina.nystrom@gu.se.

Registration Fee includes everything!

As soon as you embark the complimentary bus shuttle to Smögen, the Registration fee will cover everything: Admittance to all sessions, full board, all social activities, bus shuttle from Gothenburg (Round trip), and a three (3) year membership in Swedish Society for Virology.

Alternative Friday Night Activity: Gourmet Three Course Dinner

The Gourmet Dinner will take place at Smögens Havsbad as an alternative for delegates not interested in Archipelago Cruises and Seafood mainly based on shellfish.

Conference dinner on Friday:

Seafood Buffet on board of M/S “Byfjorden” during an evening cruise in the Smögen Archipelago

Welcome onboard the “Byfjorden” to a traditional Smögen Seafood Buffet including, shrimps, crayfish and a lot of other sea food specialities.

“Byfjorden” was built in 1968 at Skaalurens Skibsbyggeri, Rosendal, Norway. The ship was lengthened in 1989

by 5 meters and she is now 31 m long with a cruising speed of 11 knots. She recently became thoroughly restored and modernized and takes up to 120 dining guests. Her large upper deck offers great possibilities for wonderful views of the scenery.

Map of important places

The positions of the two hotels are indicated. Läsidan is a room annex for Hafvsbadet

A: Where boarding for the Seafood Cruise on Friday takes place.
