

Program

Monday 19 October

Registration and Welcome

11:00	Arrival and Registration
11:30–12:30	Lunch
12:30–13:00	Welcome and Short Introduction Pontus Nauc��r, Karolinska Institutet Annasara Lenman, Ume�� University Anders Johansson, Ume�� University Clas Ahlm, Ume�� University

Session I

Chair: Annasara Lenman, Ume   University

13:00–13:45	Harnessing IgA for Mucosal Protection – from Human to Bench to Human Charlotte Th��lin, Danderyd Hospital <i>Biosketch on page 12</i>
13:45–14:00	Questions and Discussion
14:00–15:15	Basic Design of Clinical Studies Pontus Nauc��r, Karolinska Institutet <i>Biosketch on page 13</i>
15:15–15:30	Questions and Discussion
15:30–16:00	Coffee

Workshop I

16:00–18:30	Presentations and Peer Review of Participants’ Project Plans Discussion leaders Group 1: Annasara Lenman, Ume�� University, Anders Johansson, Ume�� University Discussion leaders Group 2: Clas Ahlm, Ume�� University, Pontus Nauc��r, Karolinska Institutet
18:30–19:00	Free Time and Check-in
19:00	Dinner

Program

Tuesday 20 October

Session II

Chair: Anders Johansson, Umeå University

08:30–09:15 From Model to Clinic and Back: Organoids, Clinical Samples and Clinical Implementation

Annasara Lenman, Umeå University

[Biosketch on page 14](#)

Clas Ahlm, Umeå University

[Biosketch on page 15](#)

09:15–09:30 Questions and Discussion

09:30–10:00 Coffee

10:00–11:15 Proteomics in Sepsis

Johan Malmström, Lund University

[Biosketch on page 16](#)

Precision Medicine in Sepsis

Adam Linder, Lund University

[Biosketch on page 17](#)

11:15–11:30 Questions and Discussion

Chair: Clas Ahlm, Umeå University

11:30–12:15 From Mechanism to Clinic

Sara Gredmark Russ, Karolinska Institutet

[Biosketch on page 18](#)

12:15–12:30 Questions and Discussion

12:30–13:30 Lunch

13:30–14:30 What Role Does the Clinical Laboratory Play in Translational Studies?

Martin Sundqvist, Örebro University Hospital

[Biosketch on page 19](#)

Sara Cajander, Örebro University Hospital

[Biosketch on page 20](#)

14:30–14:45 Questions and Discussion

14:45–15:15 Coffee

Workshop II

15:15–17:45 Presentations and Peer Review of Participants' Project Plans

Discussion leaders Group 1:

Annasara Lenman, Umeå University, Anders Johansson, Umeå University

Discussion leaders Group 2:

Clas Ahlm, Umeå University, Pontus Naucér, Karolinska Institutet

17:45–18:30 Free Time

18:30 Dinner

Program

Wednesday 21 October

Session III

Chair: Pontus Nauc  r, Karolinska Institutet

08:15–09:00 **Translational Infection Research in Sweden: Pathways, Biobanks & the Microbiome**

Anders Johansson, Ume   University

[*Biosketch on page 21*](#)

09:00–09:15 **Questions and Discussion**

09:15–09:45 **Managing Clinical Research Projects from a Research Nurse’s Perspective**

Hannes W  hlin, Karolinska Institutet

[*Biosketch on page 22*](#)

09:45–10:00 **Coffee**
